Hunter Horizon 232

Overview:

Hunter Horizon - 232. 1995. 'Ptarmigan' is a lovely compact bilge keel sailing yacht. Four berths in two cabins. Galley and a separate heads compartment. New Tohatsu outboard engine in September 2023. A comfortable interior with very good sailing ability and particularly easy handling. Designed by David Thomas, the design packs an amazing amount of space into a small and hence cheap-to-moor hull. Bilge keels allow for shallow water anchoring. This vessel has to be seen to be appreciated: www.harbouryachts.co.uk
