Westerly Konsort

### Overview:

1980 -The Konsort is undoubtedly one of Westerly's tremendous success stories. Over 700 were built, offering high performance cruising with above average interior space for a 29ft boat. Bilge keels make her ideal for exploring local inlets and creeks and allow for drying out if necessary. Six berth aft-cockpit cruiser with large self-draining cockpit. Transom hung rudder and tiller steering. Powered by a 24hp Bukh diesel engine (new 2020). NB: There are signs of osmosis. Overall Good condition.
